Serial Number(s):	

Please indicate below the exact fault being reported and what it was connected too at the time the fault appeared. The more information you provide the quicker we can fault find and return your unit to you.

Once we have received your faulty unit we will inspect it within 7 days of receipt

- 1: Repair and return if under warranty and fault not due to customer damage.
- 2: Inspect and complete fault report provide a quotation for repair.
- 3: In the event that a unit is found to be NFF (No Fault Found) a quotation may be issued for the time spent, irrelevant of whether the unit is under warranty.

2 & 3: Will result in an Inspection fee of £149.00 for the 1st hour. Thereafter an additional £80 labour cost per hr, plus parts. (price's quoted exclude VAT and return freight costs)

Repairs under 2 & 3 will not be completed until your Purchase Order and/or Advance Payment (cleared funds) received.

IMPORTANT: All goods will be destroyed after a period of 6 months;

- If payment has not been received.
- If written instruction to return have not been received.

You will receive only one notification of this procedure prior to the units being destroyed.

All items are returned to Calibre carriage paid.

Overseas customers need to ensure that the paperwork states "GOODS OF UK ORIGIN BEING RETURNED FOR REPAIR" and that the correct Harmonized Tariff Code (HTC) is quoted

By signing below you agree to the above terms and conditions of this repair request
 (Do not sign this form if you do not have the authority to do so within your company)
